## THE BAND

**Top Secret Rock Stars** are a high-voltage rock trio from Berlin. Three voices, three instruments, zero compromise: alternative rock with old-school attitude, garage energy and DIY spirit. Founded in **winter 2024**, raised in Neukölln basements and on Kreuzberg rooftops – now on established stages like legendary **Wild at Heart** and internationally in **Prague & Litoměřice**.

## 01 / LINE-UP

A veteran of the international rock circuit. With the explosive duo Canja Rave he toured Japan and the United States – now back in Berlin with gritty riffs and razor-sharp performances.

Backbone, groove and songwriting. A former member of Berlin indie outfit killerkouche – thundering basslines refined with sly vocal harmonies.
